

A Message From Mr Holly

Hello There,

I am Mr Holly, Father Christmas' Head Elf. The Halton Elves have been really busy this year preparing Father Christmas' New Woodland Grotto, I have personally been down to check on the progress and I have to say they have really outdone themselves, Father Christmas will be very impressed indeed.

This year The Elves and I have got together and created lots of Christmas activities for you to do at home each week on the run up to your visit here with us at Halton.

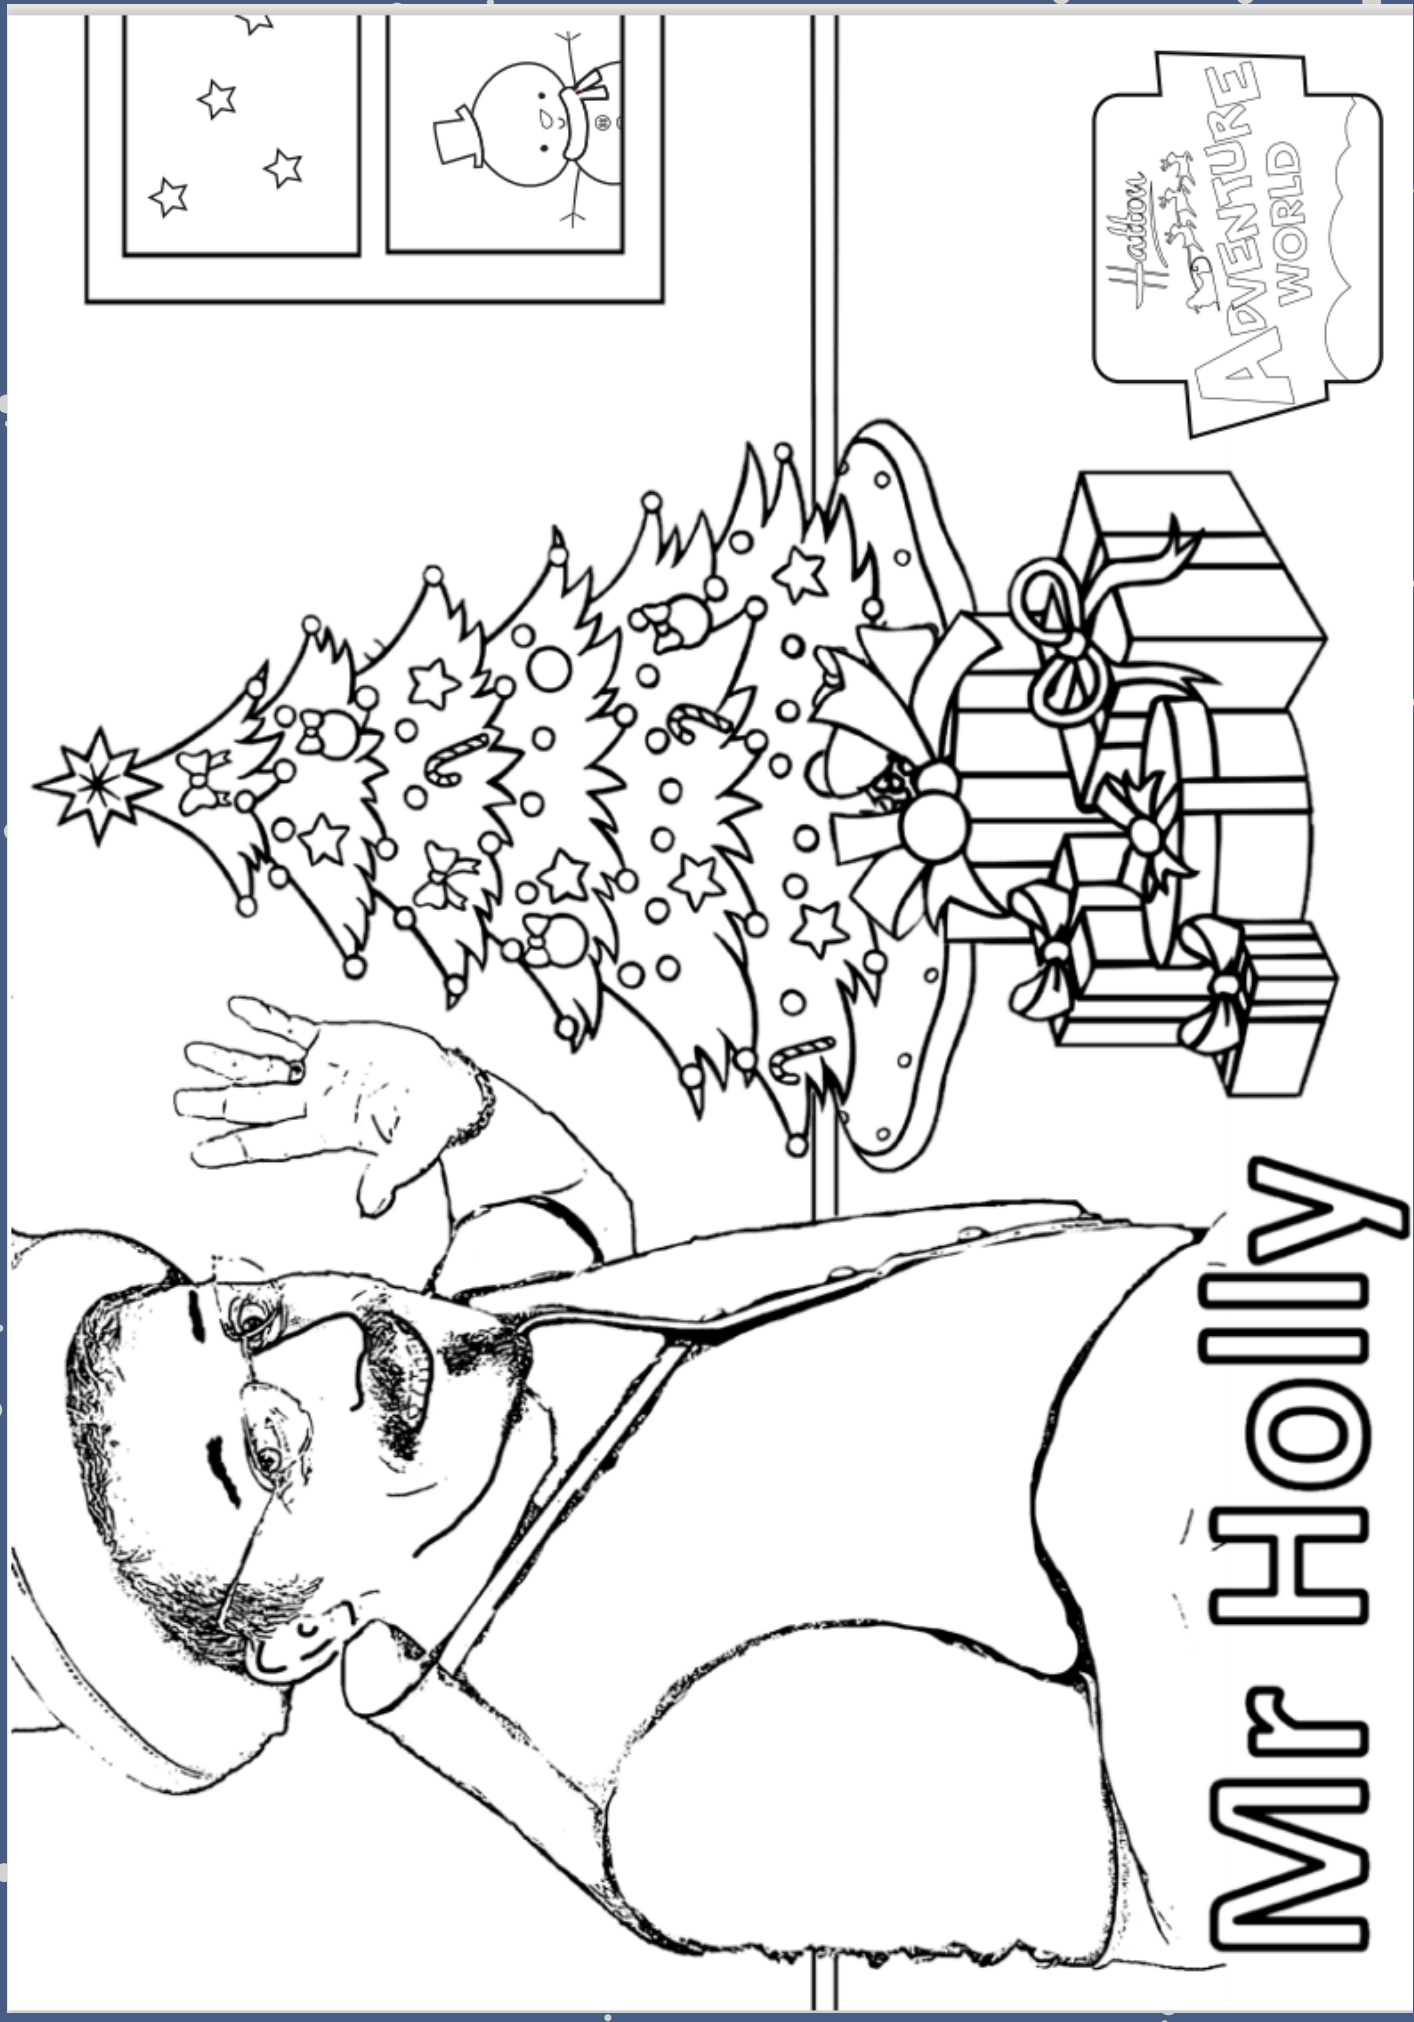

Find your first activity below! Don't forget to take a picture and send it to us via social media, using our special Christmas hashtag #EnchantedChristmasKingdom

I cannot wait to see you soon at my very special family show, TTFM!

*Love
Mr Holly*
